

Your new home works inside a special Framework called **STEP**.

STEP puts you at the heart of everything we do and everything we hope to support you with in your journey with us.

STEP Stands for:

Sensory Supportive: Meeting the sensory needs of the children in the home.

- This is having all your comforts around you
- Choosing how your room looks
- Making sure you feel safe and calm in all areas.
- Having your say in how the home looks and feels

Inclusive: Making you feel like you are part of a family

- Caring staff helping you feel included in all aspects of the home
- Care staff that will listen to your worries
- Care staff will help you make life enjoyable
- Care staff helping you live, learn, thrive and engage in it all.
- You matter!

Enabling: The circles of care around you with people that have your best interests at heart.

- Help making you feel positive and overcoming worries
- Helping you achieve your dreams and give you hope for your future.
- A 'Mind of My Own App' to write feelings and thoughts down when you don't feel like talking to anyone.
- We believe in you!

Progressive homes: Outcome Star sharing your progress in the home, your school and the community you live in

- This will help you talk about things you are really good at
- Helping you understand things that may scare you or make you feel sad
- It will help the people in your home to make sure they give you help at the right time for you.
- Stars help you to shine brightly.
